

# Product Fact Sheet

## Bella®

### FOR BALANCE, BEAUTY, AND WELL-BEING

Bella's concentrated herbal formula helps ease women through the physical and mental changes associated with menopause.\* Bella® also supports fat-burning and healthy weight loss for women over 40 by supporting a healthy metabolism.\* Natural ingredients synergize with the body's natural processes to promote inner balance and outer beauty. Contains no added stimulants or hormones.

### PHILOSOPHY OF REGENERATION®

The formula for Bella® is based on the Philosophy of Regeneration®—the belief that we should nourish and cleanse the body with the best nutrition to reach balance, and thus optimal health. Bella® is made with foods, not chemicals, to help your body and mood, so you can feel balanced and supported.\*

### INGREDIENT HIGHLIGHTS

#### BARRENWORT

Barrenwort naturally supports healthy blood sugar levels. It has traditionally been used to ease anxiety and help fight fatigue and memory loss.\*

#### DONG QUAI

Known as "the female ginseng," dong quai is often used to address symptoms associated with menstrual cramps, PMS, and menopausal symptoms.\*

#### PUERARIA ROOT

Also known as kudzu, this vine contains phytoestrogens, which are similar to estrogen. Pueraria is also sometimes used to treat hangovers.

### FAQS

**Q:** Do people ever use Bella® to ease symptoms of perimenopause?

**A:** Absolutely. Bella's herbal formula is believed to help with mood swings and hot flashes, and even support the metabolism of body fat.\*

**Q:** Is there a similar Sunrider® product for men?

**A:** Yes! Try Veros®, a fast-acting and effective supplement with no added hormones or stimulants. Veros® can help men feel energized, confident, and ready to take on the day.

### RECOMMENDATION

1 to 2 capsules per day, preferably with meals.
